

THE GREAT START READINESS PROGRAM & HEAD START AT-A-GLANCE

Topics	Intermediate School Districts (ISD) working with Subrecipients or Consortium of ISDs	Head Start Grantees
Who Can Apply	<ul style="list-style-type: none"> ISDs as the grantee for subrecipients of its Local Education Agencies (LEA) and Community Based Organizations (CBO) or group of ISDs. 	<ul style="list-style-type: none"> Sec. 641: Any local public or private nonprofit agency, including community based and faith-based organizations, or for-profit agency, within a community, pursuant to requirements of this section.
Collaboration	<p>The ISD :</p> <ul style="list-style-type: none"> Leads Collaboration with its Great Start Collaborative, current subrecipients, Head Start and Resource Center to complete the Community Needs and Resources Assessment (CNRA). Aggregates data and seeks the endorsement of the CNRA(s) from the Great Start Collaborative (GSC). Jointly recruits eligible children and shares waiting lists. Refers children who are income eligible for Head Start to Head Start. The referral process must be complete before enrolling in GSRP. 	<ul style="list-style-type: none"> Sec. 642 Head Start agency shall collaborate and coordinate with public and private entities, to the maximum extent practicable, to improve the availability and quality of services to Head Start children and families. Collaborate and coordinate activities with the local educational agency or other public agency responsible for the operation of the prekindergarten program and providers of prekindergarten, including outreach activities to identify eligible children Selection priorities for eligible children to be served by programs.
Eligibility	<ul style="list-style-type: none"> Legislation aligns GSRP age eligibility to kindergarten age eligibility, including the provision for parent choice. For GSRP this means that the parents of children who will turn 4 after the age cut off for GSRP but before December 1, may inform the subrecipient in writing that they wish to apply for GSRP. At least 90 percent of children enrolled must meet low income requirements. Income must be documented for each family. Use of the <i>Participant Eligibility and Prioritization Guidelines</i> is required. Children who reside within the geographic boundaries of the ISD can be enrolled by any subrecipient. 	<ul style="list-style-type: none"> 45 CFR 1305 Eligibility, Recruitment, Selection, Enrollment and Attendance in Head Start: Children must be at least three years old by the date used to determine eligibility for public school in the community in which the Head Start program is located. At least 90 percent of the children who are enrolled in each Head Start program must be from low-income families. Categorically eligible children include: TANF, SSI, homeless, and foster care.

Combining eligible and non-eligible children	<ul style="list-style-type: none"> Braided funding can occur provided financial records are maintained showing the equivalent of per-child allotment is met for non-GSRP children (using cash and/or inkind). Note: The GSRP/Head Start Blend option is not considered “braided” funding. All GSRP requirements apply to a classroom whenever one or more GSRP child is enrolled. More eligible children may be served than the allocation allows. Class capacity and adult/child ratios must be maintained. No additional funds will be forwarded. 	<ul style="list-style-type: none"> Braided funding can occur provided financial records are maintained showing how funds were allocated appropriately. All Head Start requirements apply to a classroom whenever one or more Head Start children are enrolled. More eligible or non- eligible children may be served than the allocation allows. Class Capacity and adult/child ratios must be maintained.
Licensed/Approved by Dept. of Human Services	<ul style="list-style-type: none"> Approval/License required for LEAs and CBOs; all rules must be adhered to. Exception for tribal agencies participating in Great Start to Quality (GSQ). 	<ul style="list-style-type: none"> License required. All rules must be adhered to, without exception.
Class Size	<ul style="list-style-type: none"> GSRP class capacity: 18 	<ul style="list-style-type: none"> Head Start class capacity: 20 Double session class capacity is 17 or if more than 50% of children are three at the beginning of the program year then the capacity is 15.
Adult/Child Ratio	<p><u>Center-Based</u></p> <ul style="list-style-type: none"> Adult/child ratio: 8:1 Add qualified associate teacher with the ninth child. Add third adult with the 17th child. GSRP teachers assigned to teach double sessions cannot be responsible for more than 36 children. 	<p><u>Center Based</u></p> <ul style="list-style-type: none"> Head Start classes must be staffed by a teacher and an aide or two teachers and, whenever possible, a volunteer. For classes serving predominantly four or five-year-old children, the average class size of that group of classes must be between 17 and 20 children, with no more than 20 children enrolled in any one class. It is recommended that at least 13 children be enrolled in each center based option class where feasible.

Program Options	<p>Predominately a program at no cost to parents. Depending on income level, parents may be required to pay tuition, but parents are never charged additional fees for program elements such as transportation or meal service.</p> <p><u>Center-Based</u></p> <p><u>Part-Day</u></p> <ul style="list-style-type: none"> A minimum of 3 hours per day, for a minimum of four days per week. New classrooms must operate at least 20 weeks; continuing programs at least 30 weeks. <p><u>School-Day</u></p> <ul style="list-style-type: none"> Operates for at least the same length of day as the local school district's/PSA's first grade program, for a minimum of four days per week, 30 weeks per year, with one day per week set aside for parent involvement, staff planning, and/or professional development. If the program operates five days per week, staff must have time for planning, professional development, and parent involvement. A classroom that offers a School-Day program must enroll all children in the class for the length of the school day. Each School-Day slot is counted as two Part-Day slots for the purposes of determining the number of children to be served. <p><u>Migrant Education Programs</u></p> <ul style="list-style-type: none"> Part-day slot-funding allows for the required dosage of 360 hours to be achieved over the summer. New subrecipients must provide 240 hours of GSRP. (Continued next page) 	<p>Parents must not incur costs for any part of the program.</p> <p><u>Center-Based</u></p> <p><u>Part-Day</u></p> <ul style="list-style-type: none"> Classes must operate for four or five days per week and must operate for a minimum of three and one half to a maximum of six hours per day with four hours being optimal. Programs that operate for four days per week must provide at least 128 days per year and programs that operate for five days per week must provide at least 160 days per year. <p><u>Combination Program</u></p> <ul style="list-style-type: none"> Must provide class sessions and home visits that result in an amount of contact with children and families that is, at a minimum, equivalent to the services provided through the center-based program option or the home-based program option. Combination models must meet class size and home visitation requirements as identified for both models. <p><u>Full-Day</u></p> <ul style="list-style-type: none"> Operates more than six hours per day. These programs must comply with all the requirements regarding the center based program option. (Continued next page)

Program Options, Continued.	<ul style="list-style-type: none"> At least one staff member at each site serving more than 8 Migrant GSRP children must speak Spanish or the predominant home language. Programs operate at least five days per week. Each family minimally receives one parent-teacher conference. Classroom staff meet GSRP credentialing requirements and receive the services of a qualified Early Childhood Specialist; Grant requirements for food service, curriculum, and child assessment are met. <p><u>Summer GSRP</u></p> <ul style="list-style-type: none"> Enrollment of eligible children who will be entering kindergarten in the fall who have not received a preschool program during the school year Funding is available for one "slot" per child (\$3,625). The required minimum dosage is 360 hours. Each family minimally receives one parent-teacher conference. Classroom staff meet GSRP credentialing requirements and receive the services of a qualified Early Childhood Specialist; Grant requirements for food service, curriculum, and child assessment are met. <p>Per slot allocation the same as for Part-Day GSRP.</p>	<ul style="list-style-type: none"> Programs are encouraged to meet the needs for full day services by securing funds from other agencies Should demonstrate that alternative enrollment opportunities or funding from non Head Start sources are not available for Head Start families needing full day child care services. All-Day/Alternate-Day GSRP is not considered School-Day. Only to those children and families with special needs that justify full day services pr to those children whose parents are employed or in job training with no caregiver present in the home. <p><u>Migrant Education Programs</u></p> <ul style="list-style-type: none"> Migrant programs are not subject to the requirement for a minimum number of planned days, but must make every effort to provide as many days of service as possible to each migrant child and family. Minimum of two parent teacher conferences for each child during the time they serve that child. <p><u>Home-Based</u></p> <ul style="list-style-type: none"> Visits must be a minimum of 90 minutes. One visit per week for a minimum of 32 weeks. Medical or social service appointments may not replace home visits or scheduled group socialization activities. Provide, at a minimum, two group socialization activities per month for each child Group socialization activities must be focused on both the children and parents Maximum: 12 families per home visitor and suggested average 10-12. <p>Note: Head Start also offers both a Family Child Care option and Double Session option.</p>
